**Principal’s Report ….**

Unfortunately, due to the weather, our P&C working bee had to be postponed last Saturday. We will reschedule another for later next term so we can hopefully bring the targeted playground area into use for spring. As mentioned in my last report, the area we hope to work on is amongst the trees at the lower end of the northern grassed K-6 playground. I have had the remaining stumps amongst the trees ground away so all that remains to do is to rake and level the areas before spreading mulch amongst the trees and around the seats. I would also like to repaint all of the existing seats. We will advertise in the *Heights Highlights* when the rescheduled working bee will be held.

We have an enthusiastic management team of parents and teachers working on our community carnival to be held in spring on Saturday 18 October. A call went out recently to parents and the community for contributors and we did receive some offers. We need more however so please consider how you might assist in some way. We hope to make this a huge event every two years and the major fund-raiser for the school.

I have this week commenced interviewing all out-of-area applications for Year 7, 2015. First of all the number of applications is pleasing and secondly the comments I am receiving from applicants and their parents is also pleasing. Our many student interest groups appear to be popular with applicants and the good student behaviour and appearance continue to figure as strong draw cards for high school.

Thank you for your support of your children’s learning and I wish you and your children a rewarding school year.

Through the dark forest
Running in without a second thought
No memories of any sort
Don’t be scared
No don’t be snared
Be careful in there
You don’t want to end up dropping into a nightmare
You’re not immortal you know
You’re a fool but you’re definitely not slow
You’re not the brightest type
Oh no, you’re just a big ol’ bunch of hype
Go ahead, you’re almost out
Go on, don’t make me shout
Before you leave can I ask you to move away?
Wait, no please don’t say
Get out, before I change my mind
Unless you’re completely blind
Don’t be slowed
Don’t be mowed
Now you’re gone I can think
So I’m no longer on anger’s brink
Let me be who I am
I am your taunter and you are my lamb….

Leading Lights

Congratulations to Mitchell H (Y10) on being selected in the NSW CHS Under 15 Rugby Union.

Mitchell will now represent State Schools in a carnival versus Catholic and Independent Schools. Well done.

Mackenzie S (3L) recently represented the Sutherland Shire Hockey Association at the Regional Carnival held in Canberra.

Mackenzie played in the Under 11’s division, scoring her first tournament goal and made it all the way to the grand final. The Under 11’s Sutherland team was defeated by Wagga Wagga in the grand final. The girls had a great weekend.

My name is Riley T from 6M and I am in the Sydney Swans Academy in the under 12’s age group. The Swans Academy is all about improving kids skills to become better AFL players. I was selected from a large group of kids to join the academy - I see it as a real privilege to be a part of this as not everyone gets this opportunity. We have training at Henson Park, Marrickville on Mondays and every second Wednesday for three terms. At training we do specific drills and fitness activities – we even had sprint training from Melinda Gainsford-Taylor this year and sometimes I am trained by Mickey O’Loughlin who is a former Sydney Swans great and is now the head coach of the academy. I am enjoying it a lot and I have met so many new friends along the way. I have now been in the Swans Academy for two years and hope to keep up the good work so I can keep on going. I am looking forward to the coming years in the Swans Academy and hope to play for the Sydney Swans one day.

Congratulations Riley.

Used books for Community Carnival

We are planning to have a used book stand at the LHCS Community Carnival on 18 October. Books will only sell if they are in good condition and are enjoyable to read.

If you have a spare book that has been enjoyed by members of your family that you are willing to part with then it can be donated to the school for resale.

It would be good to have a variety of books. Picture books, popular fiction for all ages K-12 and adult recreational reading books including fiction, cooking books, biographies and high interest non-fiction books would be most suitable.

Books can be delivered to the library for sorting. Please be aware that the books will need to be stored until the carnival so we would appreciate fewer good quality books over a high volume of books that no one wants.

No encyclopaedias please. They are heavy and not the preferred way to research anymore.

Thank you for any assistance you can give with this request.

Many children have completed this year’s Reading Challenge and have handed in their reading logs to the library staff.

We would like to congratulate all students that have completed their logs and remind students that all reading logs will need to be submitted to the library by 18 August so that they can be forwarded to the Premier’s Reading website.

Mrs Eagles and Ms Smith, Careers Advisers
What sets Lucas Heights Community School apart from other schools? Community, Research and years of experience have proven that when parents are a part of the school community there are many benefits to students, staff, parents and the school. At LHCS there many opportunities to be a part of the school community.

Recently parents were able to celebrate the many talents of the students and staff at the Musical Soirée and Sydney Regional Dance Festival.

At LHCS parents are also encouraged to be a part of the school community. For some parents this might be supporting their child's participation in the up coming Science Fair and/or Public Speaking Competition. Others may like to have more of a voice in influencing school policy or assist in raising and distributing additional funds to the school through attendance and participation in the school P&C.

You can even contribute to the school community while at home enjoying local milk, eggs, fruit and veg. Did you know if you are an existing Aussie Farmers customer, you are eligible to nominate a fundraiser to receive 2% commission? It is easy to link your account to LHCS P&C. Just go to the Aussie Farmers website and select Fundraising / Customers / Link your account. You will be asked to enter your name, customer number and email address. Finally you just need to enter the fundraiser name which is Lucas Heights Community School P&C and the suburb, Barden Ridge. Aussie Farmers will now pay 2% of your total spend to our school’s P&C!

Finally with the upcoming Community Carnival there will be many more opportunities for you to be a part of our school community, you could donate items from home such as preloved good condition books or baked items to be sold on the day, or spend an hour helping to man a stall at the carnival. Keep a look out for notes regarding the Community Carnival, and I look forward to seeing you at the next school event.
