HAPPY WEEK

Lucas Heights Community School is celebrating happiness in not only our school but the local community and the world around us too! Throughout Week 10, K-12 will be engaging in activities that will put smiles on everyone’s dials for Happy Week!

On Wednesday 2nd April, we ask that you support the following charities with a gold coin donation: The One Step Ahead Foundation, the Light it Up Blue – Autism Speaks Foundation, and Bear Cottage – an Australian children’s hospice where Jessica Clay and her family were well supported.

Below is a description of the activities students will take part in at Lucas Heights:

**Day 1 (Monday)**  
Attendance at school is all that is required. The SRC will run the event and students can be involved if they wish. There will also be face painting and music playing at lunch time.

**Day 2 (Tuesday)**  
Students are asked to wear a pink or purple accessory in memory of Jessica Clay from the High School Support Unit. There will be a funny video and photo presentation in the Gym at lunch.

**Day 3 (Wednesday)**  
Students can wear a blue accessory in support of the Autism Awareness Campaign – Light it Up Blue. Remember to bring a gold coin donation! A happy mural will be painted in the school by the High School SRC and senior art students.

**Day 4 (Thursday)**  
No Happy Week Activity.

**Day 5 (Friday)**  
Students are asked to wear a green accessory in support of those suffering from a mental illness. A Teacher VS Student Oz Tag game will be held at lunch.

*Remember, everyone can make a difference! There are over seven billion people in this world; let’s see how many smiles we can get this Happy Week!*
